

# for**ge**wa 2008 calendar

This calendar is divided into two sections:

- a) Pioneers and Missional Living
- b) Re-imagine

Now that we have the 're-**imagine**' stream up and running we will be having several separate learning days as well as days where both stream can learn together.

*We are still negotiating with several other presenters regarding the possibility of having them join us over the course of the year.*
